## Registration information for new families.

- Registration for current and past affiliated families will take place in February.
- New families can register for our program beginning at our **Open House** which is **Thursday, March 1<sup>st</sup>, 2012 5:00 – 7:00 pm.**
- We will continue to take new registration after the Open House until all spaces are filled.
- We encourage parents to put their name on our waiting list as we often experience changes in registration between March and September. We begin taking names on our waiting list at the Open House.
- Families who register for a spot in our program are ahead of un-registered families on our waiting list. It is worthwhile to register for your second choice.
- Some years we have experienced a line-up at the beginning of our Open House. Please be aware that there are 8 options within our program;
  - . morning or afternoon Kindergarten
  - . morning or afternoon Preschool: 5, 3 or 2 days per weekNot everyone will be there to register for the same option as you.
